

15/12/2022 Lecture 2

Chapter 8.

Capital sources for a technical entrepreneur.

sources of capital are zaroori for a tech venture to succeed.

when funding is discussed a portion of “financial plan” is introduced into the business plan.

capital management plan

how much capital is needed in the beginning; how much in the end. Timing of capital is important.

Types of capital, loans, debt financing. Companies give out loans, banks give out loans. Equity financing.
